Grand Canyon is dedicated to helping students reach their educational goals while providing dynamic living spaces. Todd & Associates teamed with Pono Construction to develop additional student housing on Grand Canyon University's Phoenix campus. With 944 beds, comprised of two 5-story podium buildings, Papago Apartments offers a mix of 2-bedroom/1-bathroom and 4-bedroom/2-bathroom.

Each floor has a student lounge and laundry room. Student amenities include a community center with a lounge, game room, and fitness center. A unique component of these apartments is the flex space on the first floor. This space accommodates multiple uses, including food vendors, seminars, and other university functions.
