Typology:

Event Center

Size:

18,493 SF

As one of Sagewood's goals to always provide exceptional amenities to its community, Todd & Associates designed an 18,493 SF multi-purpose building, giving residents an on-site entertainment venue. The Oasis Center includes a 420-seat auditorium with a raised platform stage, three meeting rooms, a serving kitchen, and an outdoor courtyard to accommodate various events.

This venue's upscale design features are used for musical and theatrical performances and concerts, bringing various MIM artists (Musical Instrument Museum). This venue hosts special events, catered dinners, residence meetings, seminars, and continuing education courses, accommodating up to 1,100 guests.
