Inspira Arrowhead is an upscale 14-acre senior living community a part of The Aspera Master Plan. The community includes 123 integrated independent/assisted living units and 42 private memory support beds. The memory support is divided into 3 neighborhoods of 14 residents each. Inspira offers a wide variety of social, creative, and wellness programs. Within the 2-story amenities space, residents easily

connect to the fitness center, aerobics room, theater, salon, and art studio. There is also a presentation kitchen for enriched cooking classes. A variety of dining options are available in the bistro, casual dining room, cocktail bar, and private dining room. Outdoor space includes a pool with lounge areas and fire pits, a dog park, and courtyards throughout the community.
